ABOUT SHiNE

This year we celebrate our 20th year of providing services to patients living with cancer in our community. Our commitment to our mission remains strong: Lighting the way to excellence in cancer care, close to home.

SHiNE is a completely volunteer-based organization with medical supervision. SHiNE provides a variety of services tailored to give every patient every advantage in their battle with cancer. Some of these services include: a nurse navigator, a padfolio organizer, transportation, wig and styling, support groups, fitness membership and therapeutic massage.

Proceeds from this event will be used to directly benefit patients and their families by offsetting the costs of support services. You can be assured that your donation will be used efficiently and effectively as we maintain an overhead of less than 2%.

Through your generosity, SHiNE will be able to continue these programs and look for new ways to lessen the burdens of cancer by helping the patient confront the challenges of cancer with dignity, determination, and hope.

SPONSORSHIP LEVELS

OTHER WAYS TO SHiNE

Beautiful necklaces, created by Anne Woodman are available, so you can SHiNE all the time!

We are featuring our favorite “Happy” flower OR our new chaos heart... a sweet heart for a sweetheart!

Please contact Laurie Hissey if you would like to purchase 1 or 2 or more!

About Anne Woodman:

Anne Woodman works out of New York City and Bar Harbor, Maine. She makes “Happy Jewelry” and we think she has succeeded in this endeavor! Read more about Anne at annewoodman.com.
